Applicants would like to bring to the Examiner's attention two co-pending applications: (1) application serial number 10/725,698 which has publication number 2005/0118344 to Pacetti and (2) application serial number 10/957,022 which has publication number 2005/0119720 to Gale et al. These two applications are currently under examination with examiner Nguyen (art unit 1791).
